THE OMAN ACADEMIC FELLOWSHIP (OAF) PROGRAMME FOR THE ACADEMIC YEAR 2020/2021

RESULTS ANNOUNCEMENT

The State University of Zanzibar (SUZA) on behalf of the Ministry of Education and Vocational Training, Zanzibar in collaboration with the Ministry of Higher Education, Sultanate of Oman and the Oman Academic Fellowship (OAF) Joint Committee extends sincere apologies to all candidates and the general public for not announcing the results on the scheduled date. This has mainly been caused by an unavoidable circumstance, that is, the outbreak of pandemic Covid-19 (Coronavirus) disease.

It was earlier announced that the results would be released on Thursday 16th April, 2020 but owing to the aforementioned reason this has not been made possible. However, we anticipate the results to be revealed in the very near future.

We deeply regret for any inconveniences which might have been caused by this unforeseen situation.
